

ASSIGNMENT

1. Report on your set task. Describe the key elements of the garden. Do they share any of the characteristics of the different garden styles discussed in this lesson? If so, what are they? Write a page and a half.
2. In your own words, describe what you think can be gained from studying garden history. Write half a page.
3. Briefly describe the contribution to garden history of three different garden designers. Write a paragraph for each.
